

6 GETC: Business Practice Learnership

SAQA ID 61755

This Learnership delivers a nationally accredited qualification, combined with workplace experience.

COURSE OUTCOMES

The General Education and Training Certificate is aimed at entry-level personnel and emerging entrepreneurs. Anyone preparing to become employed, or self-employed, in any business whatsoever would benefit from this course that provides a solid foundation in key business essentials, administrative skills and professional expectations in the world of work. The qualification seeks to embed the six key literacies required in business: Numeracy, Literacy, Entrepreneurial, Financial, Technological and Cognitive literacy.

The GETC: Business Practice will suit entrepreneurs and non-entrepreneurs as it offers all the grounding required for operating in the business environment in South Africa.

Recipients of this qualification will be able to:

- Use fundamental skills in a business environment.
- Use computers and technology in the work place.
- Incorporate a range of life skills in an employment or self-employment situation.

The learner will also develop some entrepreneurial and business knowledge coupled with correct business attitudes.

Accreditation: Services Seta Accredited Qualification

Language: English

It is assumed that the learner attempting this qualification is competent in:

- Communication at ABET Level 3.
- Mathematical Literacy at ABET Level 3.

Assessment: The learner will compile a portfolio of evidence for assessment against qualification outcomes.

Course fees: price on request

Duration: 12 months
