

This Learnership delivers a nationally accredited qualification, combined with workplace experience.

## COURSE OUTCOMES

The National Certificate: New Venture Creation for SMMEs is designed for learners who intend to set up or have already set up their own ventures. The future of South Africa's economy does not just lie in the formal sector, but within the informal SMME sector too. This qualification provides structured programmes for potential and existing entrepreneurs to capitalise on opportunities to start and grow sustainable businesses that form part of the mainstream economy, enabling the learners to tender for business opportunities within both the public and private sectors.

### Learners completing this entrepreneurship qualification will:

- Develop appropriate skills and knowledge for the establishment and development of an enterprise.
- Understand economic, administrative and behavioral barriers that contribute to failures in starting and sustaining an enterprise.
- Contribute to long-term solutions for job creation and SMME development via the sound business practices addressed.

**Accreditation:** Services Seta Accredited course

**Language:** English

### It is assumed that the learner attempting this qualification is competent in:

- Communication at NQF Level 1.
- Mathematical Literacy at NQF Level 1.

**Assessment:** The learner will compile a portfolio of evidence for assessment against qualification outcomes.
