

This Learnership delivers a nationally accredited qualification, combined with workplace experience.

## COURSE OUTCOMES

This qualification is intended for persons who wish to start, operate, manage and grow a business.

The purpose of the Qualification is to develop the appropriate skills and knowledge required by a person for the establishment and development of a small to medium business venture, and address the economic, administrative and behavioral barriers that contribute to success in starting and sustaining the venture. Learners attempting this qualification will be equipped with a variety of technical, business managerial and personal skills and strategies to help them succeed in the creation and sustenance of a business. The successful learner will develop a sound foundation for the application of these skills and knowledge to explore a diverse range of entrepreneurial opportunities.

### Recipients of this qualification will be able to:

- Demonstrate an ability to identify and create a new venture.
- Demonstrate knowledge of interpersonal skills required in a business environment.
- Demonstrate an understanding of basic economics within a market economy.
- Manage a new venture by applying business principles and techniques.
- Demonstrate an understanding of the role of leadership and management.

**Accreditation:** Services Seta Accredited Qualification

**Language:** English

**It is assumed that the learner attempting this qualification is competent in:**

- Communication at NQF Level 3.
- Mathematical Literacy at NQF Level 3.

**Assessment:** The learner will compile a portfolio of evidence for assessment against qualification outcomes.

**Course fees:** price on request

**Duration:** 12 months
